**The Holy Prophet Hosea** the first of the Minor Prophets, belonged to the tribe of Issachar. He lived during the ninth Century before Christ, in the kingdom of Israel. He was a contemporary of the holy Prophets Isaiah, Micah and Amos. During this time, many of his fellow Israelites had forgotten the true God, and worshipped idols. The holy Prophet Hosea attempted to turn them again to the faith of their Fathers by his wise counsels. Denouncing the iniquities of the people of Israel (i.e. the northern kingdom Israel), the prophet proclaimed to them great misfortunes from a foreign people and their removal into captivity by Assyria.

Almost a thousand years before the coming of the Savior, and through the inspiration of the Holy Spirit, the prophet foretold the end of sacrificial offerings and of the priesthood of Aaron (Hos. 3:4-5), and that the knowledge of the True God would spread through all the earth (Hos. 2:20-23). Hosea spoke also about Christ, how He would return from out of Egypt (Hos. 11:1; compare Mt. 2:15), that He would be resurrected on the third day (Hos. 6 and especially Hos.6:2; compare with 1 Cor.15:4), and that He would conquer death (Hos.13-14. Compare 1 Cor.15:54-55).

**The Hieromartyr Andrew of Crete** lived during the reign of the iconoclast emperor Constantine Kopronymos (741-775), who ordered Christians, under penalty of death, to remove the holy icons from their churches and homes. Believers, who fearlessly resisted the impious iconoclast, and held firmly to the traditions of the holy Fathers, were locked in prison. When the venerable Andrew heard that the emperor was throwing virtuous and pious Christians into prison instead of thieves and robbers, he went to the Church of the Great Martyr Mamas (September 2) in Constantinople and in front of everyone, denounced the heretic for persecuting the true Faith.

In an attempt to justify himself the emperor said that it was folly to bestow veneration on wood and paint. To this the monk replied that whoever suffers for holy icons suffers for Christ, but whoever reviles the icon upon which Christ is depicted, offers insult to Christ Himself. The enraged iconoclast gave orders to torture St Andrew without mercy.

As he was being dragged through the streets to the place of execution, someone cut off the saint's feet. As a result, St Andrew was freed from his torments by death. A hundred years later a Canon was written to the saint by St Joseph the Hymnographer (April 4). The saint heals those afflicted with seizures.
