800th Anniversary of the granting of Autocephaly

On occasion of the upcoming Assembly of the Serbian Orthodox Dioceses in the United States of America, His Grace Bishop Longin, President of the Episcopal Council and host hierarch, issued today the following statement:

"In just a few weeks, from July 13-16th, my brother hierarchs and I will have the joy of convening the quinquennial Assembly of our Holy Serbian Orthodox Dioceses in the United States of America, commemorating the **800th Anniversary of the granting of Autocephaly to our local church and to Saint Sava**, our first archpastor, at the historic monastery dedicated to him in Libertyville, Illinois.

"Priests and delegates representing our parishes and missions from throughout the United States will gather for worship, prayer and deliberation, joined by faithful pilgrims and our youth, to bear witness to the immense treasury of blessings which Our Lord Jesus Christ has bequeathed to us, and which so many of our own holy mothers and fathers have left to us as an inheritance through the centuries.

We encourage all parish representatives to attend this once in a life time event and we sincerely look forward to welcoming you all, dear brothers and sisters, to this joyous celebration and feast. - Dobro nam dosli!"
