Digital Communications Ministry-Our parish has launched a new Digital Communications Ministry to help us stay better connected and informed. The ministry is focused on:

- Keeping our website up to date: www.stelijahaliquippa.com
- Creating a shared digital calendar for services and events
- Improving communication through email, social media, and other digital tools

As part of this effort, our new digital parish calendar is now live! You can find it on the Home, Service Schedule, Church Calendars, and Events pages of our website.

At this time, the calendar includes services and events that are open to everyone. If you would like to have an event added or would like to volunteer with the Digital Communications Ministry, please email stelijahaliquippa@gmail.com or contact Susan Hayden, Kristen Milanovich, or Robert Marshall.
